Scripture

Ephesians 2:19-22

Brothers and sisters:

You are no longer strangers and sojourners,
but you are fellow citizens with the holy ones
and members of the household of God,
built upon the foundation of the Apostles and prophets,
with Christ Jesus himself as the capstone.

Through him the whole structure is held together
and grows into a temple sacred in the Lord;
in him you also are being built together
into a dwelling place of God in the Spirit.

Our Scripture Reflection

Paul has an incredibly magnificent understanding of the Church. The Church is the household of God in which all have a part and belong. We exist in large part because of our rock-solid foundation consisting of the heroes of

old, the Apostles and Prophets. The source of our being is none other than Jesus Christ Himself. May we live in this world as the people we have been created to be.

Food for your Journey

Grace is not something God gives; grace is who God is. Grace is God's official job description. Grace is what God does to keep all things that God has created in love alive -- forever. If we are to believe the primary witnesses -- the mystics, the saints, the transformed people -- an unexplainable goodness is at work in the universe.

Prayer from the Heart

Dear Jesus, Fill me up with Your love this day so that I may show the world what it means to be a child of God. Amen.
